VOL. LX. NO. 5. REDWOOD CITY, CALIFORNIA SATURDAY, MAY 1, 1920. ESTABLISHED 1859

REDWOOD CITY AROUSED BY MONSTER AVIATION CELEBRATION

Redwood City appears in carnival dress today. In her gala attire she is welcoming thousands of guests who are thronging the streets, all eager to participate in the festivities now taking place. The big parade that starts at 10:30 o'clock promises to eclipse anything that has ever taken place in Redwood City.

Many civic bodies will take part in the big pageant. There will be floats galore. The navy and army are to be represented. D. H. Wood is to be the marshal, his aides will be his two sons, Stanley and L. J. Wood. The school children are to be given a prominent part in the parade. The Slinger's baby airplane will lead the parade, followed by the marshal and his aids.

Here is the rest of the parade formation, as tentatively arranged by Chairman Ryan, from the number of entries so far received, many more entries being received daily, and which will be assigned their positions later:

The big aerial derby will be witnessed by thousands today. It is to be the large attraction of the day and will draw hundreds to Redwood City.

Leon Ferguson, Redwood's 'Wizard of the Air," will be one of the big attractions in the aerial circus. Ferguson has been rehearsing some of his stunts at the local field during the past week and those who have seen him, say his stunts surpass those of the famous Locklear, who has been electrifiying thousands for the past months.

One of the daring stunts performed by Ferguson is to change from one airplane to another while flying high in the air and he does this without the aid of a ladder, in this surpassing the famous Locklear. The local man also does wing walking and other stunts that will keep the spectators spellbound and breathlessly watching. Ferguson will be aided in carrying out his performances by Frank Bryant, chief instructor of the Redwood Aviation School, "Happy" Bryant, the latter's brother, and other flyers at the school.

The big derby, twice around Stanford University, is scheduled to start at 2:30 o'clock in the afternoon. The entries for the big race are given in the program appearing in another part of this paper. Noted flyers from all parts of the State are taking part and will strive hard to win the handsome cup that is to be awarded the first to finish in the derby.

There will also be a first and second prize awarded. The judges of the race will be officials from he Pacific Aero Club of America.

President Gordon Ferrie, of the Redwood Aviation School, Chief Instructor Frank Bryant and all the other persons connected with the institution, are co-operating in every way possible to make the celebration a success and have been working hard for the past several weeks interesting people in all parts of the country in the big events.

The big doings of the afternoon will take place at the Aviation Field, starting with the races at 1 o'clock. These will be followed by the May Pole dance by children from the grammar school under the direction of Mrs. James M. Eva, and crowning of Queen Gertrude. In addition to this part of the program there will be fancy and altitude flying by visiting and local birdsmen at the Aviation Field.

Immediately following the aerial derby will come the big aerial circus. For those who will want to dance in the afternoon ,the ball committee has arranged for jitney dancing in the Alhambra Theatre, beginning at 3 o'clock. This will continue until 3 in the morning.

Endless varieties of entertainment and sport will also be afforded throughout the afternoon by Horstman and Stover's big Exposition Shows at Stambaugh and Walnut streets and by the continuous side shows arranged by the committees on Main and Broadway.

At 5 o'clock, in the Odd Fellows hall, the visiting service men will be the guests of the Womans' Auxiliary of the American Legion at a basket supper.

ROBT. ROOS FACES DAMAGE SUIT

A suit for $20,500 damages for injuries sustained in an automobile accident was filed today in the superior court at Redwood City against Robert Roos, wealthy San Francisco merchant and resident of Hillsborough, by Miss Ruth Krug of Burlingame, who is employed as a secretary at the Union Iron Works in San Francisco.

The suit is the outgrowth of a collision, January 3, on Barroilhet avenue between an automobile owned by Roos and driven by his chauffeur, Herbert Wyant, and a car driven by C. A. Buck of Burlingame. Miss Vesta Buck and Miss Krug were both riding in the Buck machine and both were injured.

In her complaint Miss Krug alleges that her nose was broken and that she was permanently disfigured. She says the collision was due to the negligence of the Roos chauffeur.

Miss Buck, who is a school teacher, recently filed suit against Roos for $20,430 damages as a result of the same collision.

Attorney Joseph J. Bullock represented the plaintiffs in both suits.

CONCRETE BUILDING AT BROADWAY AND WINSLOW

Geo. E. Graft, a capitalist of San Jose, has announced that he is to erect a new concrete building on the old Handley corner at Broadway and Winslow streets. It will house the postoffice.

The government lease will expire on August first. Now the department will be besieged with protests against the new site.

FRANK E. ALLEN WEDS MISS BEHRENS

Miss Luella Eva Behrens and Mr. Frank Elwell Allen were united in marriage Wednesday evening at the home of the bride's parents, Mr. and Mrs. L. P. Behrens, on Jefferson avenue, Redwood City. The ceremony was performed on the lawn in front of the Behrens home and was attended by about 200 invited guests, most of whom have known the charming bride for a number of years. The setting of the wedding could not have been more nearly ideal. A bower of Christmas trees was fashioned into an altar. Electric lights and Chinese lanterns were festooned over the lawn and the brilliant rays of the round full moon lent light and shade to the joyous occastion. At 7:30 o'clock Otis Carrington sang an old English ballad. This was followed by the beautiful strains of a violin solo played by Sidney Maar of Oakland. As these notes died away Miss Edna Christensen began the wedding march from Lohengrin on the piano and the contracting parties proceeded from the house to the marriage altar. In the bridal procession were the bride and groom, Mr. and Mrs. L. P. Behrens ,little Elsie Carrington, who was flower girl, Miss Ruth Bacon of San Jose, Miss Genevieve Stewart of Stockton, sorority sisters of the bride, who acted as bridesmaids, and Clarence Martin, who served as best man. As they entered the floral canopy they were met by Rev. C. H. Stevens of the local Congregational church, who performed the marriage ceremony. Mr. Behrens gave his daughter to the man of her choice and Mr. Stevens pronounced them husband and wife. Congratulations and good wishes were then showered upon Mr. and Mrs. Allen and all wished for them as happy a married life as the beginning was propitious.

The guests then adjourned to the house and saw the display of presents which were both costly and beautiful. Mrs. Behrens' gift to the daughter was a fine chest of silver. Mr. Behrens' gift was a Cadillac automobile. The machine will not be received until the young couple arrive at their future home in Seattle.

Refreshments were served at small tables which dotted the lawn around the grounds and groups of four and larger numbers partook of the hospitality of the wedding feast while all the time a Hawaiian string orchestra played the tunes and sang the songs of the "slumber islands" of the Pacific. So the happy evening passed and all was merry as the proverbial marriage bell.

Mrs. Allen is a young woman who will take to her new home in Seattle all of the qualities which go to make an ideal wife. She is a charming, cultured young lady, a graduate of the local schools and of Stanford and Columbia Universities. In college she was a member of the Gamma Phi Beta sorority.

Mr. Allen is a Seattle business man and is a fur and leather importer. He is a graduate of the University of Washington and served as an officer in the United States army during the late war. BROTHER BETTELIN DIES IN HIS 90TH YEAR

Brother Bettelin, Visitor of the Christian Brothers on the Pacific Coast from 1879 to 1900, died recently in New York, after rounding out his 90th year. That the cares of a religious Superior are not necessarily fatal to length of days is admirably attested by Brother Bettelin's career, for he was continuously in an executive position for nearly half a century. The last twenty years of his life were spent in well merited retirement at the Brothers' novitiate in the Pocantico Hills, on the Hudson river.

Brother Bettelin came of a family that gave an even more illustrious son to the work of education, Brother Justin, who led the first followers of St. John Baptist de la Salle into California in 1868 and who guided the destines of the congregation until relieved by his brother, Brother Bettelin, in 1879. Brother Bettelin exercised the office of Visitor until 1900, and part of that time he was also President of St. Mary's College, the leading house of the Brothers in California, which was removed from San Francisco to Oakland. Old St. Mary's College was located at Bernal Heights in San Francisco for many years. In the early days many students attended from San Mateo county. A number of prominent residents of the peninsula were students of the college during the time that Brother Bettelin was in charge. He will be recalled by them as a benevolent, saintly man who worked industriously for those who were committed to his care.

Brother Bettelin joined the Brothers in Montreal in 1855.

SAN CARLOS ITEMS

JOHN E. COWGILL, CORRESPONDENT

The ladies of San Carlos met at the school house last Friday to complete the organization of the San Carlos Parents' Teachers Association at which time permanent officers were elected as follows: Mrs. Mary E. Quinn, president; Mrs. Chas. B. Marvin, vice-president; Mrs. A. Dennery, secretary; Mrs. Lester A. Conklin, treasurer and Miss Gertrude Hind historian.

H. C. Price of the Tarney Roofing company of Palo Alto has put one of their new pattern roofs on the A. McDonald home.

Jno. F. Ford the popular taxi man of Redwood City was in our little city on business last Saturday.

Mr. and Mrs. A. L. Babcock have returned from a four weeks' visit and auto trip to Riverside and other points of interest in the southern part of the state.

Mr. J. P. Samuelson of Petaluma was here for a week-end visit with his old friend, W. S. Oke. These gentlemen, both of whom tre nearing the 80-year mark, began railroad work together in the shops of the Hanibal and St. Joe R. R. at Hanibal Mo., in 1867; later worked together for the Kansas City and Northern at Moberly, Mo. Coming to California in the early '80's, they worked with one another in the Sacramento shops of the Southern Pacific company for many years until Mr. Samuelson was transferred to the Northwestern Pacific at Sausalito from where he was retired on pension by that company about the same time Mr. Oke was retired by the S. P. Co. at the age of seventy. These gentlemen are still hale and robust for men of their years which gives promise of many years yet in which to enjoy their well-earned ease.

Mrs. A. B. Bruner came up from Los Angeles last Saturday for an extended visit at the home of her son, Mr. A. L. Bruner.

Every one welcomed D. H. Wood to our little city last week when he came to distribute the new telephone directories.

The San Carlos representative of the "Johnson for Presiednt" Club is working at great disadvantage owing to the fact that a large percentage of the San Carlos voters are native sons and daughters of the United States, there being very few native sons and daughters of California who are old enough to vote.

With Vice-Admiral Williams and Mrs. Williams as guests, Mrs. M. W. Stewart motored up from Los Angeles for a visit at the home of Mrs. Stewart's aunt, Mrs. N. T. Smith. The party left on their return trip last Sunday and were to stay overnight at the El Camino Real, King City, the popular hotel for auto parties who take the coast line road for the south. Vice-Admiral Williams is to relieve Rear Admiral Rodman upon his arrival in the south.

The initial dance of the San Carlos ex-Service men, (who are members of the Redwood City Post, American Legion,) gives promise of being one of the most enjoyable affairs of the kind ever given in San Carlos. As the proceeds are to be devoted to and for the benefit of our fighting boys it is to be expected that the affair will be liberally patronized by all San Carlos people and from the near-by cities. Do not forget the date time and place. Saturday, May 15th, 8:30 p. m., San Carlos school house.

Mrs. Mary Quinn, president and Mrs. A. Dennery, secretary of the San Carlos Parent-Teachers' Association, represented the San Carlos branch at the meeting of the County Federation at Burlingame last Monday.

Mr. H. S. Warn who was formerly with the Bank of Italy at Redwood City was in San Carlos one day last week looking after the interests of the Burroughs Adding Machine company. Mr. Warn has headquarters in San Jose.

Mrs. J. W. Kirkbride and her vivacious daughter, Miss Gael, returned to their home in Tulare last Sunday after a fortnight's visit at the home of Dr. Jno. G. Null.

Mrs. Geo. W. Patterson who recently purchased property in San Carlos came down from San Francisco last week to make arrangements for the planting of her flower and vegetable gardens. Mrs. Patterson expects to commence the construction of a new home some time this year.

Owing to the mellowness of our soil the heavy real estate signs recently placed on some of the choice properties here by Walter and Lambert of Redwood City have sunken into the earth until they are entirely hidden by Asa Hull's heavy crop of rye. These gentlemen are evidently accustomed to placing their signs in the more compact and solid earth at Redwood City, making the same heft of sign impracticable for San Carlos.

Mrs. A. M. Planka visited over the week-end with friends and relatives in San Francisco.

The fact that the post office is located in the railroad station here is a great advantage over places where the post office is separate and at a distance from railroad depot. Where the office is away from the station the government requires that the outgoing mail be closed 20 minutes before the schedule time of train on which it is to be dispatched. While at San Carlos it is held open until within five minutes of departure of trains.

Those desiring the patronize and enjoy the choral concert to be given by the Redwood City Choral Society at the Alhambra Theatre next Wednesday evening, May 5th may get their tickets at the post office, San Carlos.

The big shipments of young chicks which are arriving daily in San Carlos by express and parcel post indicate that we are rapidly developing into a second Petaluma back in the Hillsdale addition of our little city. Mr. Jas. K. Murphy and Mr. Robt. J. Winter are running neck and neck for first honors.

The entire of Maple street was assigned to the state highway, four blocks of Arroyo avenue was given to the Mercantile Trust company but it hasn't been fully determined whether the people of San Carlos will present one block of Arroyo avenue to Mr. Fred W. Lippman, the San Carlos repreesntative of the Johnson for President Club. Anyone desiring free real estate in San Carlos in the presentation to them of part of our streets should put in their applications at once as we have but very little left to select from.

Sixteen new residents of San Carlos who have made application for lock boxes at the post office while waiting patiently are receiving their mail through general delivery or through the kindness of a neighbor are sharing boxes with them while they wait for the S. P. Co. to extend the office so that additional box equipment can be installed.

Contractor Zimmerman of Redwood City who is constructing the Clark S. Carr bungalow near Tom Plowman's on Cherry street and which will be completed within the next six weeks, is also preparing plans and specifications for a modern bungalow which he is to build for Mr. F. H. Rand on the corner of Elm and Cherry opposite the home of Captain Geo. H. Zeh.

Mr. O. L. Jones who came from Chicago recently to locate permanently in California found no difficulty in deciding upon San Carlos as the choicest spot in the west for a restful and quiet aobde after having spent many years in the windy city by the lakes. Mr. Jones has purchased the property opposite the new home of Mr. C. W. Ridgeway which is nearing completion.

Through Manager Fred H. Drake the San Carlos Realty company have contributed $10 cash toward the expense of building the San Carlos school float which is now being prepared by the San Carlos ladies in co-operation with Teacher Miss Gertrude Hind. Mr. Jno. V. Clark, the water service and stret superintendent for the land company is also giving of his time and labor in the construction of the float.

SAN MATEO COUNTY COMMUNITY CENTER

On Tuesday evening,, May 11, the new County Community Center will open at San Mateo with a program of music, boxing, fencing, wrestling and dancing. Doctor Ray Lyman Wilbur, president of Stanford University, has been asked to preside over a gathering of the civic loving people of the entire county, and he in conjunction with other notable authorities on civic affairs will outline the work and purposes of this new organization.

Realizing the need in this county of an organization whose object would be to foster better citizenship; to improve the minds and bodies of the younger generation by offering them the means of developing themselves physically and menetally at a minimum cost; to provide a common center where civic affairs might be more easily discussed and where subpects of public interest might be more easily laid before the people; in short where a closer connection and better understanding between the various communities of this county could be effected, the Knights of Columbus have offered their building to the use of the public. This building in San Mateo, is valued at nearly $100,000 and is a completely equipped Club House with a fully equipped gymnasium, a swimming pool, a large meeting hall, a library and reading room, a handsomely furnished lounging room, a billiard and pool room, and a large hand-ball court as well as tub baths and showers.

Under the direction of a strictly non-sectarian board of directors this Community Center idea has been crystalized and on the evening of May 11th the Center will be opened with an interesting program. Professor W. H. Maloney will present a program of clean gymnastic "stunts" and explain how necessary it is to have training i nthis line open to the public.

Classes for men, women and children will be organized for gymnasium and swimming work, under the direction of an expert physical director.

If you are an American you will be interested. This is not a new idea, but it is necessary and will become more necessary in the future. Your rights and privileges as a citizen are being threatened more and more every day. We must do something to combat the social unrest and dissatisfaction that we find growing about us ad the one way to combat it is to promote Americanism, which is the sole object of this Community Center.

Those men and women who are interesting themselves in this movement are very desirous of having the people of Redwood City with them on May 11. Make up your mind NOW that your duty is there, and be an American. You will find it well worth your while.

The time—8:30 p. m.,. Tuesday May 11th.

The place—Baldwin and Griffith avenues, San Mateo, (Knights of Columbus building.)

HIRAM JOHNSON ON THE ORIENTAL LAND OWNERSHIP QUESTION IN CALIFORNIA

What is declared by many California political students to be the best pronouncement on the Japanese as affecting California and the present primary campaign, is contained in an editorial published in the Oroville (Calif.) Register. The editorial under the title "What of Hoover and the Japanese," follows:

"Some eight years ago Woodrow Wilson, an internationalist, was elected president of the United States.

"At the same time Hiram Johnson, a nationalist, was governor of California.

"In the course of events an issue arose in which was involved the question of whether California should remain a white man's land or should be given over to the Japanese.

"Under the leadership of Hiram Johnson, the nationalist, a law was enacted in California prohibiting the ownership of land in this state by any persons ineligible to citizenship.

"Woodrow Wilson, the internationalist, sent his Secretary of State to California in an endeavor to coerce Johnson and the legislature into repealing the law.

"That was internationalism in its practical operation.

"But Johnson and the legislature refused to repeal the law and history records that law as one of the epochal enactments in the preservation of California to the white race.

"There we saw nationalism in its practical operation.

"Today Senator Johnson, the advocate of nationalism, is a candidate for the presidency of the United States.

"Opposing him for the California vote is Herbert Hoover, an avowed internationalist of the Wilson school.

"What about California?

"This state is the battleground between Occidental and Oriental civilization. The occupancy and the cultivation of its land is the prize that Japan desires above all things.

"If the Japanese issue should become acute what would Herbert Hoover, the internationalist, do in the even that he should be elected as president of the United States?

"Would he stand as Johnson did, adamantine for the supremacy of the white civilization and the white race on this coast?

"If there is any State in the Union to which a strong nationalistic policy is necessary, it is California. For this State is the battling round between the East and the West, between the Occident and the Orient.

"The people of California must well ponder over this matter.

"They know what the attitude of Johnson would be."

SAN FRANCISCO WASP PRAISES SAM'L SHORTRIDGE

The San Francisco Wasp of April 17th, contains the following article concerning Samuel M. Shortridge, the Republican candidate for the U. S. Senatorship:

In the issue of the Wasp of March 20th, 1920, we stated that there was a rumor to the effect that Mr. Samuel M. Shortridge would probably become a candidate for United States Senator from California and we expressed the hope that that rumor was well founded. The Wasp's comment upon Mr. Shortridge has been quoted repeatedly throughout the State by the various newspapers and other periodicals which have now taken up his fight. The following Monday Mr. Shortridge formally announced himself as a candidate.

Samuel M. Shortridge—I had almost said Senator Shortridge—will make a United States Senator of whom California will be proud. He is a man of dignity, culture and refinement and yet is so democratic in his manner that he always has a welcome hand for everyone no matter how humble his poistion in life may be. He is the exponent of true Americanism and patriotism in the State of California. No. man's services are more sought after nor more readily given throughout all the communities, North, South and Central California upon all patriotic occasions and upon all occasions where high and noble purposes and ideals are to be held up to the people than are the services of Samuel M. Shortridge. He is a man eloquent beyond all description, sincere in his convictions and conscientious in the performance of his duty toward the public.

BRITTAN ESTATE DIVIDED

Final steps for the distribution of the estate of the late Colonel Nat J. Brittan were taken in the superior court Monday afternoon, when Judge George H. Buck accepted the report of Davenport Bromfield, the referee in partition, which divides the Brittan holdings of about 397 acres at San Carlos among the heirs.

The referee's report, accepted by the court, gives Mrs. Carmelita Kendall, one of Colonel Brittan's daughters, the old family home with 95 acres of land. Mrs. Belle J. Moore, another daughter, receives 168 acres, and the husband and children of the late Natalie Hewson, the third daughter, receive 134 acres. The parcel distributed to the Hewsons lies along the State Highway, while the property given to Mrs. Moore is a strip between the Hewson portion and the old family homestead in the foothills.

According to the appraiser's report the property divided among the heirs is worth about $156,000.

The Brittan place at San Carlos is one of the famous old homesteads of the peninsula. Thousands of dollars were spent by the late Colonel Brittan in the improvement of the grounds surrounding the old home, which in its day was one of the show places of this section of the State.

The estate is heavily involved. It is the purpose of the heirs to place a blanket mortgage over the entire property so that all the debts may be paid at once.

HIRAM JOHNSON

Hiram Johnson is a fighter,
He came from fighting stock
If he receives the nomination,
Please do not Hiram knock.

Hiram from the State of California
He has always acted on the square,
Let us do our best to boost him.
To the Presidential chair.

Hiram is against the League of Nations,
He fought it which is true,
And you can bet your bottom dollar
That its passage it fell through.

He did not believe in sending
Our gold so far away,
To a foreign country
Their war debts to pay.

Hiram voted for prohibition
Right from the very start
And by vting for this easure,
Saved many a mother broken heart.

Perhaps when he gets seated,
And everything gets running fine,
Hiram will take under consideration
Of returning light beers and wines.

Remember Mothers and sisters,
That Johnson is the man
That brought those boys back,
From a far off distant land.

They shipped them up to Siberia.
Which Hiram thought was wrong
But still he kept on fighting
And he fought them good and strong.

Hiram has always stood by labor,
He has been their trusted friend.
And now is the time for you to stay by him.
And past favors he will extend.

There is a bunch that don't want Hiram,
You will hear those tigers roar,
Its the same old bunch of Profiteers Syndicate
That fought Hiram once before.

Of course we expect old standpatter and H. B.
To vote for "Hoover Boy"
When a fellow sees he's losing,
He grabs at any toy.

Let's all vote for Hiram Johnson,
To this state he has been true
He belongs to the one Flag the only Flag
The Flag of the red, white and blue.

THREAD RUBBER

CONTINUED chemical action weakens ordinary insulation so that it has to be renewed at least once during the life of the battery. Threaded Rubber Insulation is different. The rubber retains its valuable insulating properties clear to the end of the life of the battery, so that the user can forget that insulation trouble ever existed.

Chautauqua Presents "Kindling"

Splendid Dramatic Production by the Maurice Browne Players

The production of "Kindling" by the Maurice Browne players which is scheduled for the fifth night of Chautauqua, will be one of the big events of the coming assembly. Not since Margaret Illington brought this great drama to the Coast has "Kindling" been produced in the West. Then it registered a big success, and on its return to New York started on a sensational run lasting for two years.

Maurice Browne, under whose supervision this production has been made, is known widely as a pioneer of the Little Theater movement in America. He is now producing the "Medea" of Euripides with his wife in the title role at the Garrick theater, New York.

This potent drama by Charles Kenyon, is admirable as a work of art, but it is even more important as a social document. It probes deep into the problems of social justice. In the hands of Maurice Browne players, every detail is handled with consummate skill and artistry.

SOUTH AMERICAN EXPLORER COMING

G. Whitfield Ray, F. R. G. S., to Tell His Great Story at Chautauqua.

G. Whitfield Ray, F. R. G. S., the celebrated explorer who spent fourteen years in South America, is coming to Chautauqua with one of the most interesting and informative lectures of the year.

Dr. Ray is known to scientific men as the "Livingstone of South America." He is undoubtedly one of the best posted men in America concerning general conditions in the continent to the south of us. For a number of years he was Official Explorer for the Bolivian Government and his work in Brazil was of lasting importance. Mt. Ray was named in his honor by the Brazilian Government in recognition of his services.

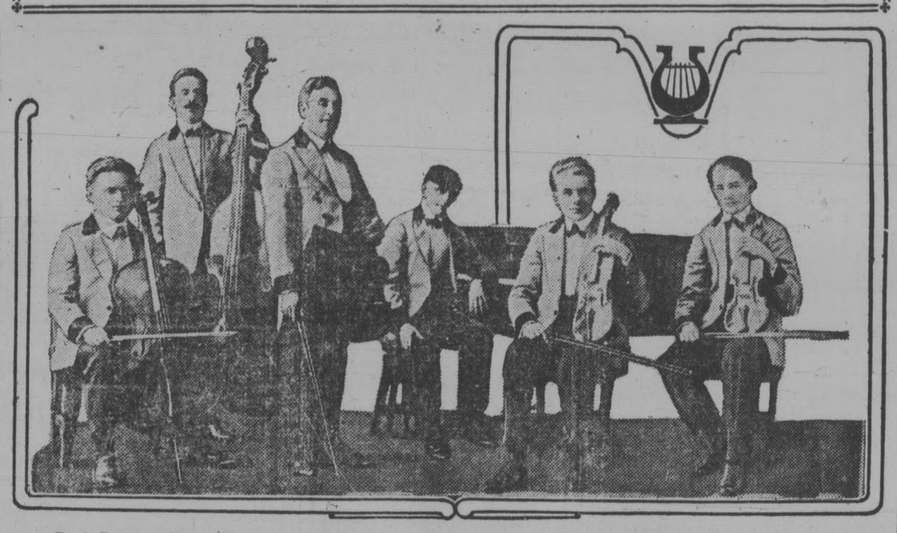
"FOURTH LINE OF DEFENSE"

Judge Bale of Columbus Lectures at Chautauqua.

Judge Fred G. Bale, who comes to Chautauqua on the sixth night, is a courageous crusader for those things which make for a bigger and better community. He has a gripping lecture on things fundamental at the present hour, "The Fourth Line of Defense." It is a "fact" lecture, full of meat for the man or woman interested in tomorrow's citizenship, and is resplendent in a sound advice and hopeful incentive for young and old. Mr. Bale is one of the biggest lecture "finds" of recent years—a man of fine and energy, a clear thinker, a hard hitter. His message is particularly valuable to the young and to those charged with responsibility for their welfare. Hear him—he's worth while.

Pereira's String Quintet at Chautauqua

Noted Portuguese Violinist and Composer Brings His Splendid Company for Two Concerts



Paul Pereira, famous Portuguese violinist, director and composer, assisted by his string quintet, will make the third day of Chautauqua a memorable one to all music lovers. Pereira was formerly court violinist to the King of Portugal and has achieved a big name in the European musical world. His company will present programs of his own arrangement and largely of his own composition, consisting of a prelude in the afternoon and a full concert in the evening. Mary Adel Hays, New York's famous coloratura soprano, will appear as soloist at the evening program only. Miss Hays is being retained in Chautauqua this year in response to a general demand from Chautauqua towns all over the West.

A Voice From the Orient

Julius Caesar Nayphe Comes to Chautauqua With Spectacular Lecture-Entertainment

Julius Caesar Nayphe, a young Athenian of noble birth, is coming to Chautauqua on the opening night with a lecture-entertainment unlike anything you have ever heard.

Born in Athens, educated in Palestine, a graduate of the University of Bagdad, Mesopotamia, a university student in England and later of our own Harvard, this young Athenian has created a furore of enthusiasm wherever he has appeared. He brings with him the gorgeous costumes of the Armenians, Syrians and peoples of the near East, making his lecture-entertainment a spectacular pageant of the Orient. He tells of the Holy Land, which he knows so well, of the social customs, of the religion and of the betrothal and marriage customs.

DISCUSSES PROBLEMS OF RECONSTRUCTION

Carlton Chamberlayne of New York at Chautauqua.

Carlton Chamberlayne of New York, one of the most effective public speakers of our time, brings a sane message on reconstruction problems for all true Americans in his lecture "Tomorrow" at Chautauqua on the second afternoon.

Chamberlayne is known throughout the East as one of the closest students

of national issues and of the perplexing problems of the present day. His editorial work on one of the big New York papers has given him the training for clear analysis and terse expressions. His writing and lecture work is characterized by originality, independent thinking and an overwhelming amount of good, common sense. Above all else, he is constructive in his public work.

NEW YORK SOPRANO RETURNS TO WEST

Mary Adel Hays Makes Second Chautauqua Trip.

The news that Mary Adel Hays, the widely known New York coloratura soprano, is to return to Chautauqua audiences this year will undoubtedly be received with rejoicing on the part of all Western music lovers. Miss Hays achieved a real triumph in her

tour over the Ellison-White circuit last year and is being retained in response to a general demand from all over the country.

During the past winter Miss Hays has been appearing in recital in the Atlantic Coast states and has been enthusiastically received by Eastern audiences. The music critic of the Atlanta Georgia Journal characterizes her voice as "one of pure gold, certainly one of the loveliest coloraturas ever heard in Atlanta."

A resolution presented by Attorney Kirkbride granting the petition for annexation was thereupon adopted by the board, on motion of Hickey, seconded by Mrs. Brown.

John H. Davis, city attorney of Burlingame, appeared before the board again in the matter of a claim of $936, which he alleges is due the above municipality for money collected on road tax on the Burlingame Highlands property, which was annexed to the city of Burlingame on March 5 last.

HOOVERICALLY SPEAKING

The cheapest vacuum cleaner is one that will perform extra services—in other words, one that will do more than merely clean the surface of your carpets. Just pause here a second, and read what Hoover Suction Sweeper will do, and then you will understand why the Hoover is considered to be one of the best machines ever invented.

1. It raises the nap on your carpet.
2. It brightens the color, by brushing up most of the sand and lint that mere suction won't touch.
3. It lengthens the life of your carpet because by brushing up the sand the nap is not cut and mashed by the grinding together of these sharp cutting surfaces.
4. It has a special enclosed motor, that does not get full of dirt and necessitates extra attention frequently.
5. It uses the minimum abount of current from your light socket, and thus is economical in operation.

You can not do better than to investigate the Hoover, see what it will do, and then you will want one.

The dead man was a native of Virginia. He had been in the service for several years and recently returned from Siberia, where he had been with the American forces. The funeral took place on Thursday from the Redwood City Undertaking Parlors at Redwood City. Interment was in Alta Mesa cemetery.

Father Lacombe is to occupy his new home at Mayfield on the first of the month. He was the recipient of many beautiful and useful articles for the cullinary department of the new domicile.

In a grateful speech Father Lacombe thanked his friends for the gifts. Mrs. Gale and her charming daughters served refreshments during the evening.
